About Us

- Malaysian Children's Hospice (MCH) is being established as a service centre under MAPPAC to provide multidisciplinary care and support to children who are facing the life-limiting and life-threatening illness in Malaysia.

OUR OBJECTIVE

- To provide Clinical Service to children being referred from hospitals in the form of regular home-visits, telephone communications and medical equipment loan on need basis.
- To educate and reassess the techniques of home care and symptom management of caregivers (caregiver training).
- To provide Psychosocial Support with music therapy, play therapy and counselling services.
- Home and school occupational therapy and physiotherapy supports.
- To provide temporary relief for their usual caregivers - respite care at patient home.

Covering Area

- Kuala Lumpur
- Petaling Jaya
- Cheras
- Ampang

Donation to MAPPAC

MAPPAC activities and projects are supported by donations from well-wishers. Your giving helps us to run activities that help to increase awareness about children's palliative care and provide services for families of children with life-limiting illnesses and life-threatening illness. Your financial support will also contribute towards setting up the Malaysian Children's Hospice and its operational costs.
